California Gold / Zornes Exhibit a Rollicking Success!

The California Gold Exhibition and Presentation & Book Signing of **Happiness is Warm Color in the Shade** (biography of artist Milford Zornes) by Hal Baker was certainly a success.

The March 27th reception seemed to be enjoyable for all attendees. Books (Zornes' biography) were signed, stories told and refreshments consumed. The highlight of the evening was the presentation by Hal Baker and his wife, Maria, Milford Zornes' daughter. Firsthand experiences spanning Milford's 100 years proved to be both interesting and intriguing.
