ART
ASSOCIATION

APRIL 2020

PVAA update concerning the two PVAA Galleries.

Due to the Corona Virus, and its developments and communication from the Governors office and the CDC, Gallery SOHO and The PVAA Art Place will be closed the entire month of April. The Galleries will remain closed until the Board receives clearance from the Governor and the CDC.

We need to follow the guidelines of the state government and the CDC.
The health, wellness and safety of all artists and guests is our primary concern.

PVAA artists miss everyone in
the art community.

Please stay well and consider
spending the self-isolation
time creating art
for future art exhibits.

Kathleen McCall, PVAA Board President
